

BULK TRASH PROCEDURES & PICK UP INFORMATION

- Bay Disposal will pick up bulk items, but own homeowners must call them to schedule the pickup. They can be reached at 252-491-5105.
- A bulk item is anything that you would not place in your household garbage. For example, broken furniture, old grills, etc.
- Bay Disposal will also pick up yard debris. Limbs should be cut to a length no longer than 4ft and bundled or tied together. Other debris should be bagged. Bundled limbs should be placed on the curb with the garbage.
- Recycle cans (yellow lids) may not be used for yard debris. These containers are only to be used for glass, aluminum, plastic bottles, tin cans, paper and cardboard.
- Please call Bay Disposal 252-491-5105 with any questions.
